## WELCOME TO SOLAR TITANS

A sci-fi deckbuilding game where players command massive capital ships in head-to-head tactical combat. Upgrade your ship and unleash powerful weapons as you adapt to combat damage in real time. Disable your opponent's systems and outmaneuver their strategy to emerge victorious!

## GAMEPLAY HIGHLIGHTS

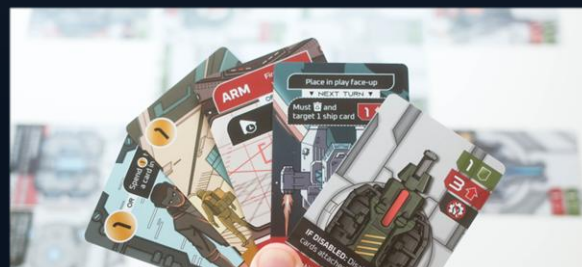

- Striking sci-fi theme built around capital ship combat
- Modular ship design for players to build a unique ship
- Tactical combat with location-based damage
- High replayability with diverse builds and combos
- Easy to learn for both casual and core gamers

## THE DEFINITIVE EDITION

- 16 new cards to add variety and re-balance market deck
- Upgraded deluxe box and insert design with all new art
- Improved 32-page rule book with re-balanced solo mode

Build your unique ship tableau where the layout affects its combat capabilities

Deploy crew from your hand to launch attacks, upgrade your ship, and purchase new cards

Launch a devastating array of weaponry and disable your opponent's command deck to win
